

### **SPECIAL ARRANGEMENTS FOR UNIVERSITY STUDENTS**

We are pleased to inform you that there are special arrangements for University students who have qualified with the Association as a Teacher. The scheme requires students to supply photocopies of documentation proving the offer of a placement, and of actual attendance at the University, including start and end dates.

Upon receipt of satisfactory evidence, University students are granted the opportunity to pay an annual subscription fee of just £35.00, for up to four years.

Please supply such documentation as set out above, together with the attached Application Form, including the signed Agreement to abide by the conditions of the membership committee. We trust that you find University successful.
